

## Leaves of Thanks

**Members of Saint Paul Lutheran Church** are planning a mission trip to **La Paz, Honduras, in early 2026.**

The team will spend a week building homes, water storage receptacles, & latrines as well as cooking a hot community meal, distributing drinking water filters, and spending time with local youth. Every dollar raised will directly benefit the community in Honduras.

**How You Can Help** - This Thanksgiving season, you have a special opportunity to share your bounty with impoverished people in La Paz. Your donations will provide building materials, food, educational opportunities & household essentials. Please prayerfully consider a donation to support this vital work!
